Dear friend Garrison,

The enclosed represents
income of the Fund, thus
far subscribed, towards the
"Testimonial", which, you are
aware, it is the intention of your
friends to offer for your
acceptance. Believing that
this income may be convenient
to you, ~~in~~ view of the increased
expenditure which the injuries
to your right arm have rendered
necessary, & knowing no reason
why this sum (forming as it
does no part of the principal
of the fund) should not be
put at your disposal, as being

rightfully yours, the
Sub. Committee, to whom
these matters are left, — Messrs.
Sewall, Endicott, & myself —
have fully agreed to send
it to you at this time.

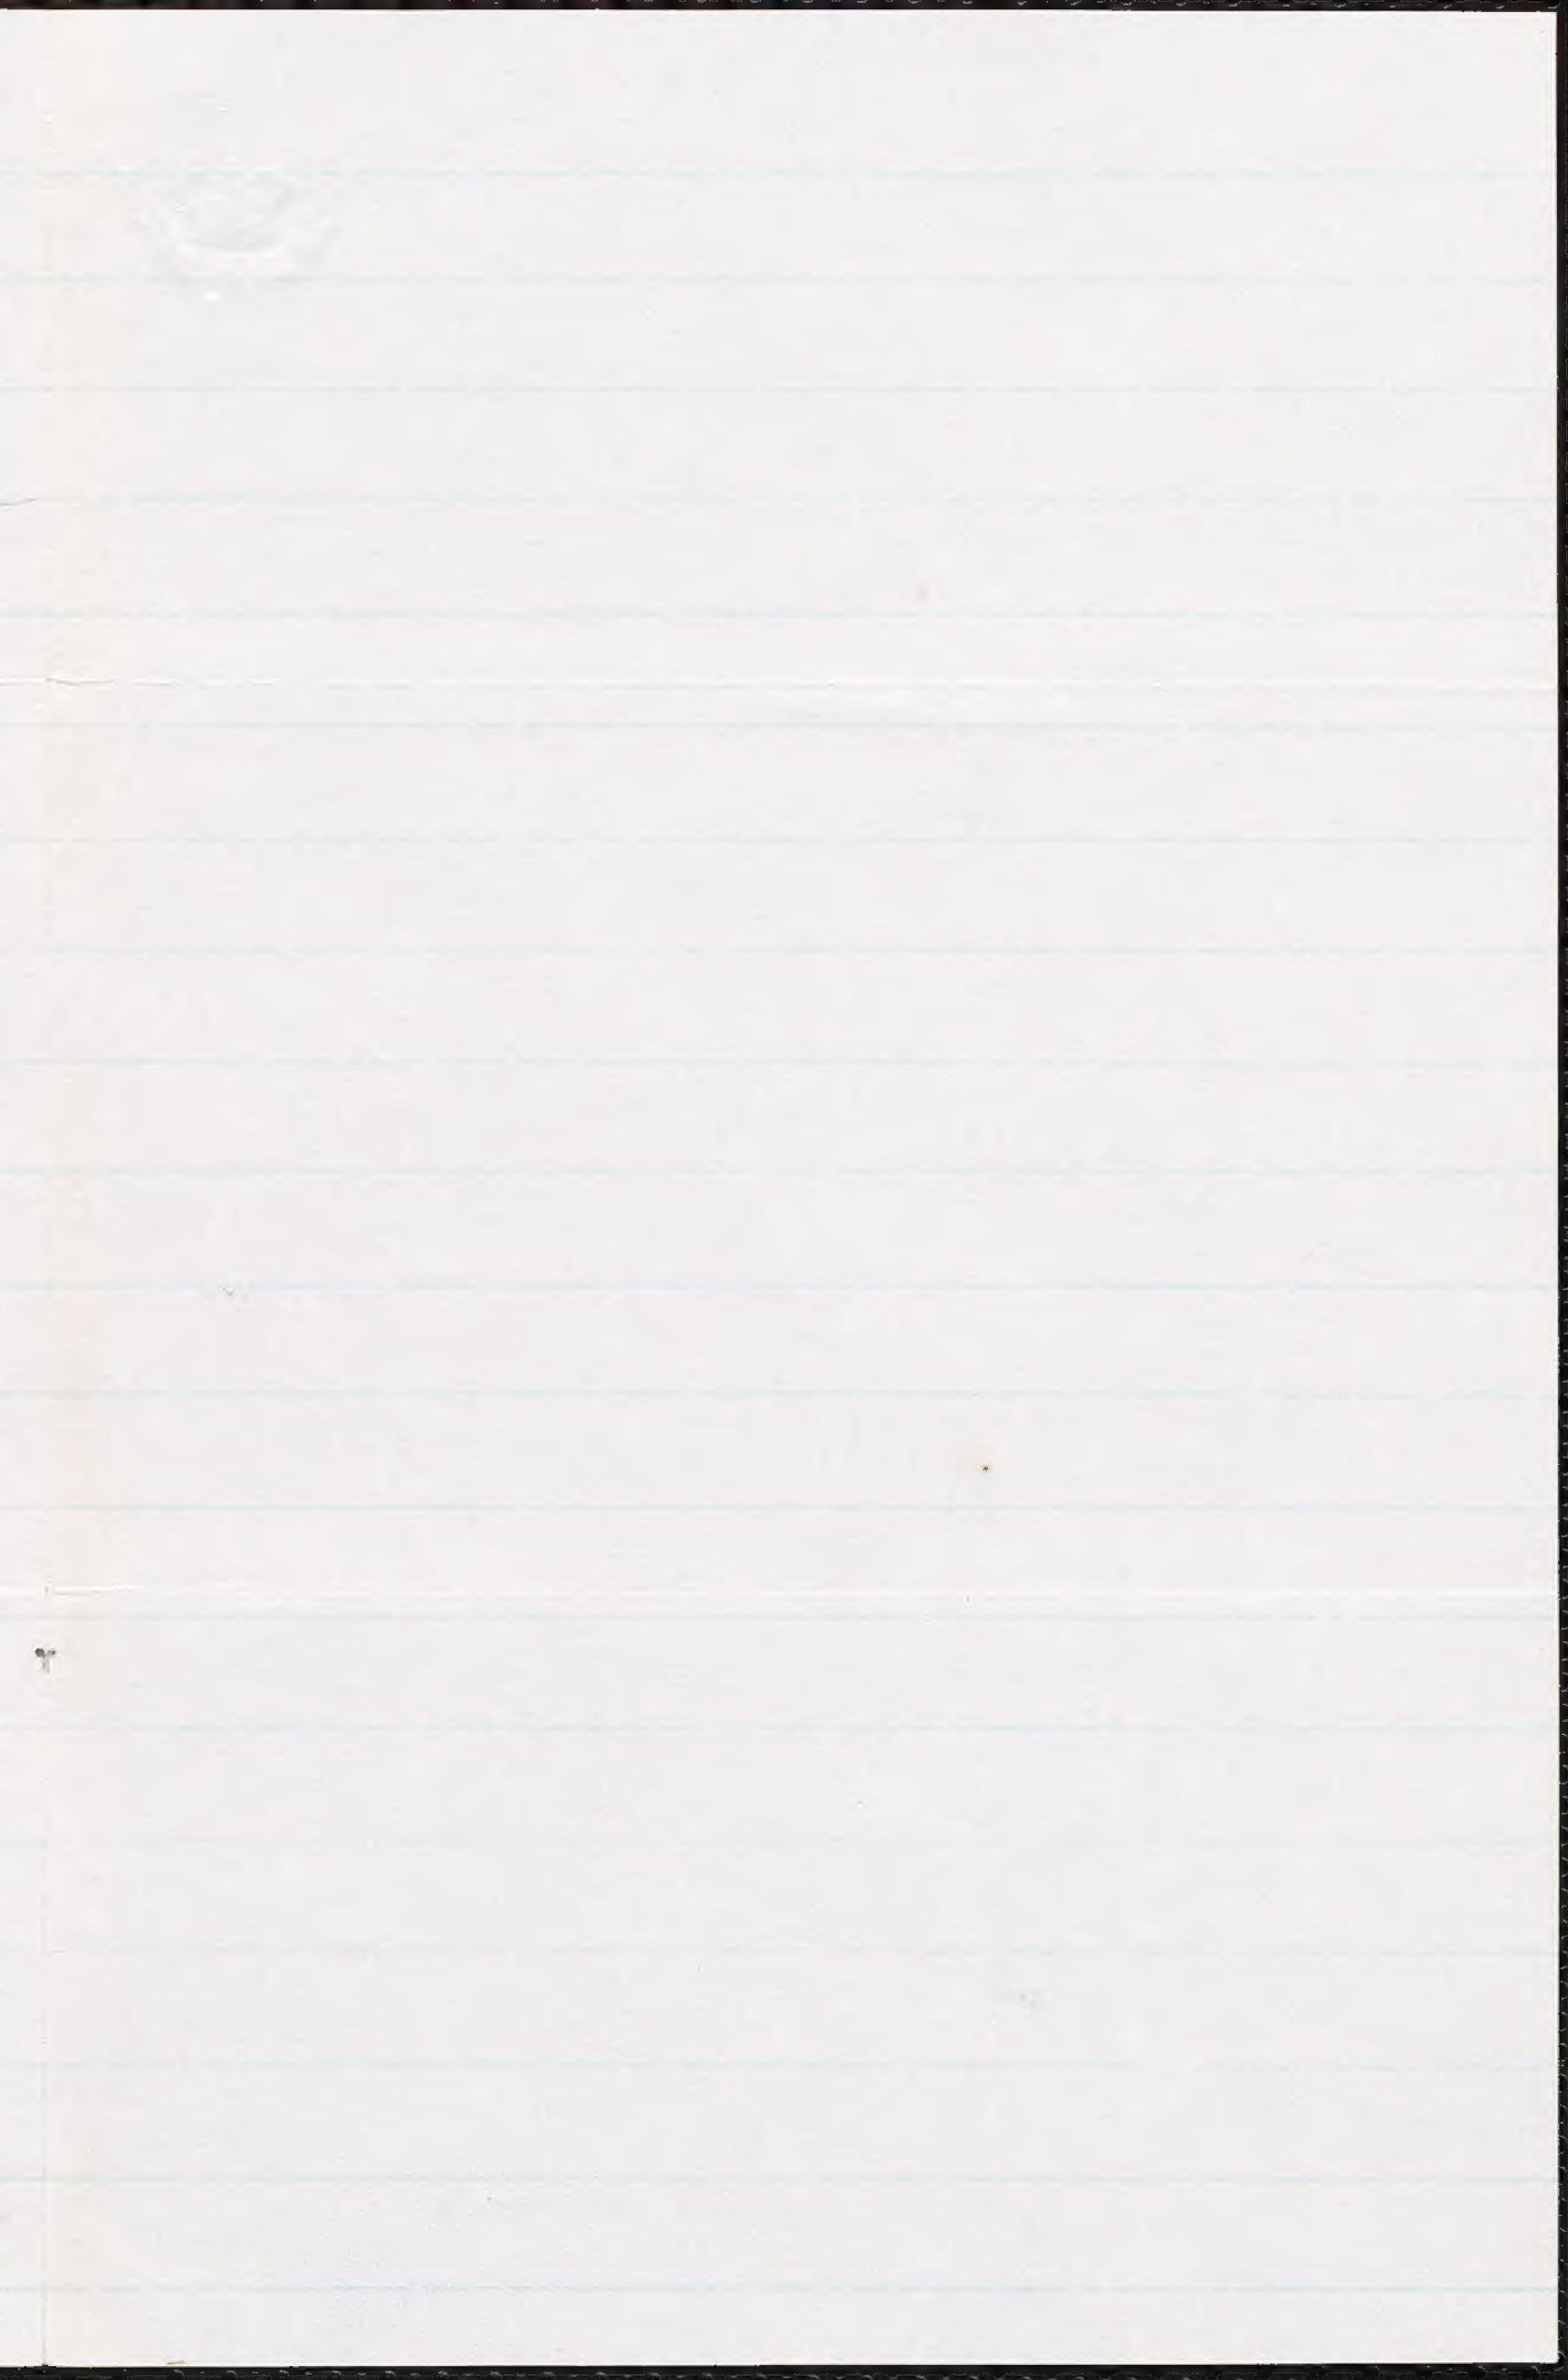

With the sincere respect
& cordial regard

of all the Committee

I am,

Yours ever truly

Saml. May Jr.
